INTERNAL COMPLAINT COMMITTEE

Handbook of Sexual Harassment in Workplace

Objective: to work for Gender- sensitive Campus

Gender is a major concern in the policies of government and UGC. Initially conceptualized as a platform for women harassment redressal cell in our educational institute (erstwhile LLDIMS s, Mandi), it grew into a Cell playing a catalyst for gender sensitization, knowledge sharing and women empowerment. Contributing to the visibility of gender issues, the Cell opens a genuine dialogue among scholars, activists, faculty, staff and students through talks, discussions, counselling and consultation.

The Cell envisages playing a significant role in:

Mobilising on women's views and perspectives on important social issues

Questioning the existing biased and stereotypical notions, concepts those deny identity and respectable space to women

Assimilating gender consciousness into all systems of knowledge in order to progress towards a true gender sensitive society

Eliminating cultures of impunity, silence and complicity

Action Plan:

- By arranging talks/ lectures/discussions on gender related issues
- By playing Nukkad Natak, documentaries and socially relevant movies to gender sensitise students/ staff and faculty in the university
- By adopting colonies, villages to gender sensitise and make them aware of schemes, facilities of the government
